

Other People's Recipes

I am not the only one with recipes. Here is a list of other people's recipes that I enjoy, and have actually made and eaten myself. These recipes are from all over the web. Where possible, I'll include a PDF in case the original website ever goes away.

Porchetta

[Read the recipe at Caroline's Cooking site.](#)

[Take a pork loin and cover it in herbs. Then take pork belly, tie it to the top of the pork loin and cover it](#) in herbs as well. It is *delicious*. This is easy to make, although the prep requires a day to marinade in the fridge. I've made it for Christmas and it was a big hit.
